## **Fontaine Spray Suppression Welcomes New Director of Quality Assurance**

Springfield, TN (December 4, 2018)

Fontaine Spray Suppression is proud to welcome Trey Turner as the new Director of Quality Assurance. His responsibilities will include maintaining quality programs, implementing quality policies, managing customer relationships, and overseeing ISO 9001 requirements.

Trey joins the Fleetline team with eight years of experience in manufacturing and over six years of experience in quality engineering and project management. He graduated from Western Kentucky University with a bachelor's degree in Technology Management.

"We are excited to add Trey to our team" said Helbert Flores, VP of Operations. "The expertise he brings with him will help strengthen our company's quality, productivity and efficiency."

Fleetline is the Spray Suppression Leader in the USA. With a full line of products to fit all major manufacturers trucks and trailers, you can count on Fleetline for unparalleled quality and exceptional value. Fleetline is a Marmon Highway Technologies LLC/Berkshire Hathaway company.
